TARDIS TEST

You don't have to be a brainiac or have a black-belt in karate to be the Doctor's travelling companion. But here are some of the qualities you do have to have to be invited into the TARDIS to see the stars!

LOVE ADVENTURE

When the Doctor asks Amy to travel with him, the one condition he gives is that wherever they go, it has to be amazing.

BE BRAVE

Travelling with the Doctor can be very dangerous! You must be prepared to fight off terrifying monsters and save the world!

LOVE TO RUN

The Doctor runs from one adventure to the next and his friends have to keep up! Couch potatoes need not apply.

LOVE FUN

Sometimes the Doctor can be a little bit... well, mad. But what do you expect from a 907 year-old alien from Gallifrey?

BE BRILLIANT

Who is the NIGHTMARE MAN?

The Nightmare Man is really a **Vishclar** from the **Saretti dimension** who feeds on our bad dreams. Luke doesn't normally dream at all, so when he has nightmares they're **especially tasty**. Yum yum!

Luke thinks that when we dream ours minds go to a **different dimension**. That's where the Nightmare Man is lurking, ready to trap us with our **own fears**.

DID YOU KNOW?

Actor **Julian Bleach** plays the Nightmare Man - and he also played Davros, creator of the Daleks. Like Davros, the Nightmare Man taunts his victims with their own fears and weakness. And neither of them seem to brush their teeth!

The Nightmare Man is **most powerful** when we're **alone**. Luke and his friends defeat him when they **work together** as a team!

BAD DREAMS!

The Nightmare Man uses our worst fears against us.

LUKE IS SAD!
